ARTICLE I **Public Access** **[Adopted at time of adoption of Code** **(see Ch. 1, General Provisions, Art. I)]**

§ 34-1. Purpose.

The purpose of this article is to set forth the methods and procedures governing the availability, location and nature of those records of the Village of Camden subject to the provisions of Article 6 of the Public Officers Law, known as the "Freedom of Information Law."

§ 34-2. Designation of records access officer.

- A. The Board of Trustees is responsible for ensuring compliance with the regulations herein and designates the following person as records access officer: the Village Clerk, Village of Camden, New York.
- B. The records access officer is responsible for ensuring appropriate agency response to public request for access to records pursuant to the provisions of the Freedom of Information Law. The designation of the records access officer shall not be construed to prohibit officials who have, in the past, been authorized to make records or information available to the public from continuing to do so.

§ 34-3. Location of records.

Records shall be available for public inspection and copying at the village offices, 14 Church Street, Camden, New York 13316.

§ 34-4. Hours for public inspection.

Requests for public access to records shall be accepted and records shall be produced during the hours that the Village Clerk's office is regularly open for business.

§ 34-5. Requests for access to records.

- A. A written request may be required, but oral requests may be accepted when records are readily available.
- B. A response shall be given within five business days of the receipt of any request reasonably describing the record or records sought.
- C. A request shall reasonably describe the record or records sought. Whenever possible, a person requesting records should supply information regarding dates, file designations or other information that may help to describe the records sought.
- D. If the records access officer does not provide or deny access to the records sought within five business days of receipt of a request, he or she shall furnish a written acknowledgment of the receipt of the request and a statement of the approximate date when the request will be granted or denied.
- E. If the request is granted, the records access officer shall provide a copy of such record to the person requesting the same upon payment of the fee prescribed therefor and shall certify to the correctness of such copy if requested to do so. Alternatively, the records access officer shall certify that he or she does not have possession of such record or that such record cannot be located after a diligent search.

§ 34-6. Fees.

The fee for copies of records shall be \$0.25 per page not exceeding nine inches by 14 inches in size or the maximum fee permitted under the Freedom of Information Law as it may from time to time be amended. The fees for other types of copies or transcripts and for certificates shall be the reasonable amounts as the records access officer shall establish. The fees charged by the records access officer for records shall not exceed the actual cost of reproducing such record, except when a different fee is otherwise prescribed by law.

§ 34-7. Grant or denial of access to records.

The records access officer shall, in accordance with this article, make available for public inspection and copying all records, except that the records access officer may deny access to records or portions thereof which are not subject to disclosure in accordance with the provisions of Subdivision 2 of § 87 of the Public Officers Law or any other applicable state or

federal statute or unless the public access officer determines that to grant the application would adversely affect the public interest.

§ 34-8. Denial of access to records; appeals.

- A. Denial of access to records shall be in writing.
- B. Within 30 days after the written denial of access, any person denied access to a record may appeal, in writing, such denial to the Mayor, who shall hear such appeals under the Freedom of Information Law.
- C. Within 10 business days of the receipt of such appeal, the Mayor shall explain, in writing, to the person requesting the record the reasons for further denial or provide access to the record sought.
