

Give Your Property an Upgrade—For Less!

Is your sidewalk looking a little worse for wear? Cracked, uneven, or crumbling concrete isn't just an eyesore—it can be a safety hazard for your family and neighbors.

The Village of Camden wants to help you fix it!

Through our **Sidewalk Replacement Assistance Program**, we are pairing up with local property owners to share the cost of installing brand-new sidewalks.

Why Participate?

- **Boost Your Curb Appeal:** A smooth, clean walkway instantly elevates the look (and value!) of your home or business.
- **Enhance Neighborhood Safety:** Keep your community walkable, accessible, and safe for strollers, runners, and seniors.
- **Save Big Bucks:** Take advantage of Village funds to offset your out-of-pocket improvement costs.

Don't Walk, RUN! Funds Are Limited.

Our program budget is capped for the year, and grants are awarded on a **first-come, first-served basis**. Once the funds are gone, they're gone!

Interested parties should contact the Village of Camden Office at (315)-245-0560 to request forms.
